If the PaNPCL hereafter is amended to authorize the further elimination or limitation of the liability of Directors, then the liability of a Director of the Association, in addition to the limitation on personal liability provided herein, shall be limited to the fullest extent permitted by the amended PaNPCL.

B. THIRD-PARTY ACTIONS

The Association shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Association), by reason of the fact that such person is or was a representative of the Association, or is or was serving at the request of the Association as a representative of another domestic or foreign corporation for profit or not-for-profit, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with the action or proceeding if such person acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Association and, with respect to any criminal proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action or proceeding by judgment, order, settlement or conviction or upon a plea of nolo contendere or its equivalent shall not of itself create a presumption that the person did not act in good faith and in a manner that he or she reasonably believed to be in, or not opposed to, the best interests of the Association and, with respect to any criminal proceeding, had reasonable cause to believe that his or her conduct was unlawful.

C. DERIVATIVE AND CORPORATE ACTIONS

The Association shall indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending or completed action by or in the right of the Association to procure a judgment in its favor by reason of the fact that he is or was a representative of the Association or is or was serving at the request of the Association as a representative of another domestic or foreign corporation for profit or not-for-profit, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of the action if he acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the Association. Indemnification shall not be made under this section in respect of any claim, issue or matter as to which the person has been adjudged to be liable to the Association unless and only to the extent that the court of common pleas of the judicial district embracing the county in which the registered office of the Association is located or the court in which the action was brought determines upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnify for such expenses that the court of common pleas or other court shall deem proper.

D. PAYMENT OF EXPENSES IN ADVANCE

Expenses (including attorneys' fees) incurred in defending any action or proceeding referred to in Article X.A. (relating to third-party actions) or Article X.B. (relating to derivative and corporate actions) shall be paid by the Association in advance of the final disposition of the action or proceeding upon receipt of an undertaking by or on behalf of the representative to repay the amount if it is ultimately determined that he is not entitled to be indemnified by the Association as authorized in this Article or otherwise.

(relating to derivative and corporate actions) or Article X.C. The determination shall be made:

- a. by a majority vote of the Directors who are not parties to such action, suit or proceeding, even though less than a quorum;
- b. by a committee of such Directors designated by a majority vote of such Directors, even though less than a quorum; or
- c. if there are no such Directors, or if such Directors so direct, by independent legal counsel in a written opinion.
