

Architectural elevation drawing of a four-unit townhome building. The drawing shows a symmetrical facade with a central section of four units and end pavilions. The central section has alternating brick faces and recessed balconies. The end pavilions have larger windows and doors. The drawing includes dimensions for the overall width (142'-4") and individual unit widths (17'-4" and 7'-4"). It also shows details like planter boxes, roof decks, and material callouts such as "ROMAN BRICK" and "ALUM CLAD INSUL BOND".
