The meeting was opened by Larry McEwen, co-chair, at 7:00pm. The meeting time was adjusted. There were no action items on the agenda. The minutes for the January meeting (no February meeting) were approved as submitted.

Revised DRC Procedures

- The committee reviewed the changes made by Celeste Hardester. Those changes were made in consultation with committee members. Many of the changes were simply wording changes. One area of discussion was voting via proxy or call-in. Neither was accepted. Another area of discussion was the complexity of describing the scheduling of the RCO meeting if a project deviates from the normal process.

- The revised document will be reviewed by the committee before it is submitted to the board.

Adjournment

- The meeting was adjourned at 8:50pm.
