The Chestnut Hill Green Initiative

Committees that provide an  
opportunity for community input on  
land use, planning, and zoning issues.

For over 70 years the Chestnut Hill Community Association (CHCA) has been at the forefront of maintaining and enhancing the quality of life in Chestnut Hill and encouraging a sense of community. Join the CHCA and be part of what makes this community great. As a CHCA member you can join other member volunteers in:

- organizing great community events, including the Pastorius Park Summer Concert Series, the longest running free outdoor music concert series in the City
- providing active stewardship of land use, planning, and zoning issues that impact the community
- working on environmental and transportation issues in our community.

## connect.

Your membership to the CHCA supports Chestnut Hill traditions like Pastorius Park concerts and Movies Under the Stars. Connect with your neighbors at these beloved summer time events and at other CHCA community events throughout the year!

Read your local paper published here in Chestnut Hill under local ownership, by real journalists and expert contributors. Neighborhood connections are made when you are current on all the news that matters to area residents. Your membership in the CHCA supports this distinctive aspect of our community.

Stroll down tree-lined streets, and know you are a part of keeping this historic neighborhood green through the CHCA's Green Space Initiative whose mission is to promote, plan for, and plant green spaces throughout Chestnut Hill.

Meet and socialize with other CHCA members when you attend our special members only events such as lectures, workshops, concerts, nature tours, and more.

Be part of the organization recognized as the voice of Chestnut Hill to the City!
